

New Age Technology Consulting Appoints Operations Manager

IP Technology provider's growth driven by "Concierge Installation" service offering

Bradenton FL - May 22nd, 2009 – New Age Technology Consulting, a premier provider of world-class, high quality IP telecommunications products and services is pleased to announce that the company has expanded its operations staff, appointing Heather Cook as Operations manager, in an effort to streamline service delivery for its clients. Headquartered in Bradenton, Florida, New Age Technology Consulting offers unique, next-generation business telecommunications platforms and proven VoIP solutions designed to meet the specific needs of small and mid-sized companies across the United States.

Mona Levinson, CEO of New Age Technology Consulting, stated, "We are proud to announce that Heather Cook has joined the New Age TC Team. Heather's background and business experience make her an ideal resource to head up our operations department. She will serve a key role in the delivery and implementation of New Age TC's "Concierge Installation" service for our Verizon and Star2Star solution sets."

Cook's new role will be focused on serving as the primary liaison between New Age TC's clients and our Internet and Voice carrier providers. She will be managing all aspects of the firm's client experience and project management functions to insure that New Age Technology Consulting will achieve its goal to consistently provide 100% customer satisfaction.

About New Age Technology Consulting

New Age Technology Consulting provides expert telecommunications system evaluation, integration, maintenance and support to provide your business with cost effective communications solutions. We assist businesses in all stages of telephony systems and design: from needs and capability analysis to cost concerns, to installation and integration and end-user training and support. New Age TC has the experience and professional expertise to guarantee comprehensive telecommunications servicing to perfectly suit your business.
