

New Age Technology Consulting Expands Sales Organization

Company leverages growth in an expanding local economy

Bradenton FL – August 1st, 2009 – New Age Technology Consulting, a premier provider of world-class, high quality telecommunications products and services is pleased to announce that the company has recently expanded its regional sales organization and tapped Rick Hourigan to manage sales to the small and mid-sized business segment. Headquartered in Bradenton, Florida, New Age Technology Consulting offers unique, next-generation business telecommunications platforms and proven VoIP solutions designed to meet the specific needs of small and mid-sized companies across the United States.

Mona Levinson, CEO of New Age Technology Consulting, discussing the company's recent growth, stated, "We have realized a tremendous growth in our business and our client base over the last year, even in a very challenged economic environment. As the economy continues to gain momentum, our goal is to maximize the opportunities to help our clients with their telecommunications needs, while enhancing their efficiency and dramatically reducing their costs. Rick Hourigan has joined the New Age TC Team to help us in this effort. With a diverse background in telecommunications we are excited to have him on our team."

Mr. Hourigan brings to New Age TC a strong knowledge base and broad range of telecommunications expertise as demonstrated via his previously successful roles in account and Channel Management at MCI, Daystar Communications and Tesla International.

About New Age Technology Consulting

New Age Technology Consulting provides expert telecommunications system evaluation, integration, maintenance and support to provide your business with cost effective communications solutions. We assist businesses in all stages of telephony systems and design: from needs and capability analysis to cost concerns, to installation and integration and end-user training and support. New Age TC has the experience and professional expertise to guarantee comprehensive telecommunications servicing to perfectly suit your business.
