

New Age Technology Consulting Announces Partnership with Verizon

***Company to offer Internet connectivity solutions for local businesses
as a premier Verizon agent***

Bradenton FL - March 10th, 2005 – New Age Technology Consulting, a premier provider of unique, high quality telecommunications products and services is pleased to announce that the company has recently partnered with Verizon as the area's leading Verizon Premium Partner and Solutions Provider. Headquartered in Bradenton, Florida, New Age Technology Consulting offers cost-efficient, next-generation business telecommunications platforms and proven VoIP solutions designed to meet the specific needs of small and mid-sized companies in the south Tampa bay area and beyond.

New Age Technology Consulting selected Verizon in order to provide their clients an enhanced business communications and connectivity solution set and address a diverse range of business voice, data and Internet needs in the markets they serve. Services offered by New Age TC will include Internet service, WAN services, interoffice connectivity; data services, such as fiber optics, T1 lines, frame relay, DSL service or enhanced voice and long distance services.

Mona Levinson, CEO of New Age Technology Consulting, commenting on the new Verizon partnership, stated, "Our Verizon trained staff has many years of experience so we are able to handle all of the details to offer our clients better, faster results. They will now receive the same low Verizon pricing with the value added benefit of our 'Concierge Installation' Service. No more calling carrier 800 numbers, as we will serve as the customer's liaison to Verizon. We also coordinate with our client's phone and data vendors, use proactive client communications to guarantee a smooth transition of services to ensure our goal of 100% Customer Satisfaction."
